ABOUT US

Jl's Greenhouse is a farm to table inspired catering service, party venue and takeout kitchen. We are conveniently located at The Ancient Order of Hibernians on Kuser Road in Hamilton, NJ. We are proud to partner with AOH and it's legendary history. At AOH we provide customers with an array of menu choices from comfort food, to seasonal specialties to simple bar food.

With Greenhouse catering, we take food back to its roots with an approachable menu emphasizing old world house-made specialties. True to it's origin, we source food from our local bounty whenever we can and let the ingredients shine in every dish.

We look forward to experiencing great times and great food together!
