

HIBERNIAN VETERANS MONUMENT

Dear Friend:

The AOH Msgr. Crean Div. 1, in honor of those who wore the uniform of the U. S. Military, erected a veteran's monument, which was dedicated on Memorial Day 2006.

Stop by the Hibernian Club, 2419 Kuser Road, Hamilton, NJ and see this beautiful salute to our veterans.

The monument is a six paneled, solid black granite pyramid 9 ½ feet tall. It has an American eagle on top and a black granite base. The front panel is dedicated to all AOH division, foundation, LAOH members and their families. The right panel is dedicated to all Irish immigrants who left their homeland to come to America, picked up arms and fought for their new country. The left panel is dedicated to the brave 69th Brigade-- "The Fighting Irish."

Engraved granite blocks encircle the monument and also form a walkway to the area now know as the "Walkway of Honor."

Additional blocks are available for purchase that will be added to the "Walkway of Honor." Members can honor themselves or family members who served in the military. The blocks will be sold for \$100 each. They are 6" by 12" granite blocks with engraving up to three lines. Each line can contain no more than 13 characters and spaces.

Please use the form on the reverse side and order your granite block today. For additional information call:
